2. The Market will operate from June 25, 2022 – September 10, 2022 (12 weeks)
3. Vendors must be set-up and in their assigned location by 8:45 a.m. for sales to begin at 9 am. Vendors must notify the market administrator 517-618-1515 within 24 hours of Market day in the event they will be absent/late.
4. A market volunteer or manager will be on site each Saturday from 8-9:30 AM to assist vendors in finding their designated vendor spot, and to set up signage for the market.
5. A porta potty is available for use by vendors and the public.

Space Rental & Location

1. Each vendor is allowed a 10'x10' space. Seasonal produce vendors may apply and pay for additional spaces. All seasonal vendors will have a fixed location and may request a preferred spot as part of their vendor application. Efforts will be made to place vendors in their preferred location, but is not guaranteed; assignments will balance the needs of each vendor in terms of accessibility, electricity access, and other factors.
2. Drop-in vendors will be assigned an available space at random. Vendors may review their assigned space through their FarmSpread account, or may locate the daily market volunteer for guidance.
3. Vendors are required to provide their own tables & tents and must weigh them down appropriately.
4. Vendors may not share or sub-lease their spaces to other vendors.
5. Goods/products may not interfere with walkways for shoppers or other vendors. Sidewalks must remain open and accessible to the public.
6. Vendors are not allowed to drive on the grass within the park.
7. Vendors will be asked to submit sales reporting each week. The market will use the data to understand the economic impact of the market season, compare rate of growth over time, and show our sponsors how important the market is to vendors. Information regarding individual vendors will be kept confidential.
